Manor Park News

A message from our Headteacher: Jill O'Connor

Dear Parents and Carers,

Happy Easter to everyone. What a glorious week of sunny weather we have all enjoyed in the lead up to the Easter holiday. I sincerely hope that it does continue and that you all have an enjoyable holiday, particularly with the easing of restrictions that we are all eagerly waiting for from April 12th.

Children said goodbye and good luck to Miss Dawdry on Wednesday as she left us to begin her exciting new job after the holidays. Following a long ongoing absence due to ill health, Miss Kerrie Anne Healy has now resigned from her position as reception class teacher, and I am sorry to inform you that she will not be returning to school. Our thanks and very best wishes are extended to Kerrie and we wish her a speedy and full recovery.

School will reopen on Monday 19th April to all children. We are celebrating World Earth Day on Thursday 22nd with children across school involved in classroom activities to mark what is the world's largest environmental movement and to encourage them to consider what they can do to make everyday Earth Day.

Have a wonderful holiday and we look forward to seeing you all on April 19th for an exciting summer term when hopefully we will be able to see school life become much closer to the old way of life, we all know and love.

My very best wishes to children and families and a very happy Easter. Enjoy yourselves. Enjoy the chocolate and Easter treats!

Jill O'Connor Headteacher

Upcoming Events

- ♦ Easter holiday - 1st April to the 18th.
- ♦ School reopens - 19th April.
- ♦ World Earth Day - 22nd April.

EYFS Phase: Nursery & Reception

We are so proud of all the children in EYFS who have settled back into school this half term. They are enthusiastic and excited about their learning and they are confident to share their experiences with their friends and teachers. We are looking forward to another amazing term after the Easter holidays and we wish all of our families a restful and enjoyable break.

The children in nursery have enjoyed using their senses to explore the changes that happen when ingredients are mixed together. They have had fun making loops, slimes and potions.

Lower Phase: Years 1, 2 & 3

It's been a whirlwind return to school, and it seems hard to believe that we are breaking up for the Easter holidays. We are so grateful to our families for continuing to support us through our Covid requirements and we hope that normality will resume soon. With this in mind, it would be great to get some feedback from you about some of the changes that have been effective, and you think we should keep in place.

We wish you all a happy and healthy Easter break!

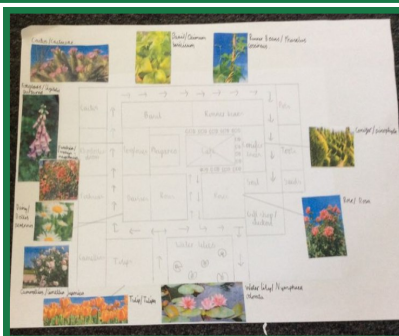

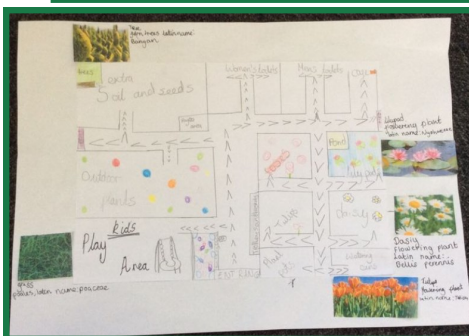

Upper Phase: Years 4, 5 & 6

What a successful and busy term it has been! We are all incredibly proud of the children in the Upper Phase as they have shown such fantastic resilience and positivity since their return to school. We have finished the term with Let's Investigate Day and RE day and obviously there is lots of excitement around as we head towards the Easter holidays. Hopefully, there will be some warmer weather heading our way so that we can all enjoy some time with our families outside. Have a wonderful break and we look forward to seeing the children back in school after the holidays. As always, if you have any questions or concerns please feel free to contact me on:

t_brown@manorpark.coventry.sch.uk

The Year 4 team would like to wish all of you a very happy Easter. Enjoy the break and we'll see you in a couple of weeks.

The Year 5 team would like to wish you all a wonderful and happy Easter. Have a lovely break and we'll see you soon.

We really hope that all our lovely families have a wonderful Easter holiday and we are already looking forward to seeing everyone again in the summer term! Stay safe, from the Year 6 team.
