

A message from our Acting Headteacher: Becky Swindell

Dear Parents and Carers,

It was lovely to see so many of you in school this week for the different events that have taken place. Reception had a fantastic 'Come & Share' event on Tuesday, and Class 12 did an amazing job with their class assembly this morning.

Next week we are looking forward to inviting Nursery parents into school for their 'Come & Share' event on Wednesday, and we are also looking forward to Class 23's assembly on Friday morning.

On Friday 8th December we will be holding a preloved uniform sale, with the proceeds going to our chosen charity 'Project Gambia'. Further details will be sent out soon.

December is quickly approaching and we can't wait for all of the Christmas activities which will be taking place in school. Keep an eye on the school calendar on the website and the dates on the newsletter so that you know what is coming up.

Have a wonderful week!

Mrs Swindell

Exciting learning from this week

This week Year 5 have thoroughly enjoyed making ancient Egyptian pyramids with spaghetti and plasticine. We considered what makes a good structure and planned our designs strategically.

Year 6 have been improving their water colour skills by creating these powerful World War Two pieces. They tested a range of different techniques and observed the Coventry skyline to enhance their final paintings. Well done Year 6.
