

A message from our Acting Headteacher: Becky Swindell

Dear Parents and Carers,

What an amazing first week back we've had! Even in the heat, the children have worked incredibly hard and have made us so proud with their excellent attitude. Our new staff have settled in well and we have loved welcoming our new children and families.

After reviewing our safeguarding policies, we have made the decision that smart watches which are capable of taking photos and sending messages/making calls should not be worn by children in school. We kindly ask that you do not send your child into school wearing one. Thank you for your support with this.

We're looking forward to a wonderful half term with lots of exciting trips and activities. You can keep up to date with what's happening on Seesaw and Twitter.

Have a wonderful week!

Mrs Swindell

Exciting learning from this week

Year 5 have come back to school with a fantastic attitude towards their learning. They have started their topic 'Walk like an Egyptian' by identifying the human and physical features of Egypt.

Year 1 children have had a supersonic start to the year - what superheroes! They are already enjoying their new creative curriculum topic, 'Superhumans'.
