

A message from our Acting Headteacher: Becky Swindell

Dear Parents and Carers,

What another fantastic week we've had! Thank you to those parents who were able to attend our early reading workshop with Mrs Jacoby on Tuesday. We hope you found it useful. Keep an eye on our school calendar for upcoming events which you can attend to support your child's learning.

We are looking forward to inviting some parents in next Friday for our half termly MPU showcase event. If your child is involved in this, you will have received an invitation to attend. We can't wait to see what our very talented children have been working on!

Parents' evenings will be taking place on Tuesday 24th and Wednesday 25th October from 4-6:30pm. If you have not yet booked an appointment to see your child's class teacher, we would encourage you to do so. You can contact the school office if you are unsure how to do this. We look forward to seeing you all next week!

A reminder that school will close for half term next Friday and reopen to children and staff on Monday 6th November.

Have a wonderful week!

Mrs Swindell

Dates for your diary

Tuesday 24th October

Parents' Evening

Wednesday 25th October

Parents' Evening

Friday 27th October

Last day of half term

Monday 6th November

Thursday 9th November

Prospective Reception 2024 Parent Meeting & Tours 9.30am & 1.30pm

Monday 13th November

Odd Socks Day

Friday 17th November

Class 21 Assembly

Reminders

- Year 6 secondary school applications deadline—31st October 2023
- If any of you have any board games or activities (not electrical items) that you no longer use, we would be happy to take them off your hands and use them in school. Any donations can be given to class teachers or the main office.
- The school car park is for staff use only. Please do not use it when collecting or dropping off your child at school, CHAMPS provision and after school clubs.
- On October 27th, 2023, Seesaw is launching an exciting new logo and app icon. The functionality of the Seesaw platform will not change, but it is strongly recommended that families update the app as soon as possible.

Exciting learning from this week

In maths Year 4 have been working hard to find the perimeter of a range of 2D shapes. The children worked practically, investigating objects around the classroom and shapes made out of masking tape. They then ensured to use the correct units of measure when the perimeter had been found.

This week in Year 2 we have been designing and making our own cars and can't wait to test them.

SOAR Superstar

Class 6	Dilveen
Class 7	Elijah
Class 8	Shlok
Class 9	Safah
Class 10	Nevaeh
Class 11	Mariam & Daisy
Class 13	Oaklea
Class 14	Gaatha & Leo
Class 15	Elijah
Class 16	Caoimhe
Class 17	Isaac
Class 18	Samuel
Class 19	Adam
Class 20	Navya
Class 21	Oscar
Class 22	Chloe-Skye
Class 23	Akshaj

WELL DONE!
