

21st July 2023

A message from our Deputy Headteacher: Becky Hodt

Dear Parents and Carers,

We have had a fantastic final week of the school year. The children have enjoyed lots of end of year activities and are ready to move up to their new year groups in September. Our Year 6 children were amazing in their show and have enjoyed lots of treats as they say goodbye to us and move on to secondary school.

As we come to the end of another successful year at Manor Park, we would like to thank you all for your on going support. Your children are all wonderful and we are so pleased with everything they have achieved. Our results were, as always, outstanding, and the children have represented us across the city in lots of events. We couldn't be prouder!

We would like to say a final goodbye to all the staff who are leaving us to move on to their new challenges, and a special goodbye to Mrs O'Connor and Mrs Healy who have given so much to Manor Park over the many years that they have worked here. We would also like to wish Mrs Bowler the best of luck as she goes on maternity leave; we hope to see her soon with her new arrivals.

We look forward to welcoming the children back to school on Tuesday 5th September.

Have a wonderful holiday!

Miss Hodt

Deputy Headteacher

End of year message from the Governors

On behalf of the Governing Board, we would like to thank you all for your continued support to Manor Park and reflect on what a fantastic year it's been! Firstly, well done to our dedicated staff and amazing children for the very positive Ofsted inspection results and well-deserved praise. It was great to see all the hard work and care that happens every day recognised publicly.

It's also time to say a goodbye to our amazing Year 6s but what a way to end the year with the brilliant SATS results that show your incredible SOAR values. We are so proud of you and will miss seeing your smiling faces around the school on our governor visits. Good luck as you move forward into your new adventures at secondary school.

We are also losing members of staff as they move on to pastures new. We thank you for your hard work and dedication and wish you well in your next steps. We hope you enjoy the lovely messages and photos in the newsletter.

Following the retirement of Jill O'Connor, we are pleased to announce that Becky Hodt will be assuming the Acting Head role whilst a recruitment process takes place next school term.

We wish you all a wonderful summer break!

Becky Carr & Debs Ridgewell

Co-Chairs of Governors

Goodbye Mrs O'Connor!

*Thank you for all the special
memories. We wish you the best
of luck in your retirement. We
will miss you!*

Goodbye Mrs Healy!
Good luck in your new job.
You will be amazing! We will
miss you!

Learning in Nursery

This week in Nursery, we are finishing our topic of Africa! To round it off, we wore the African dresses we made and our African necklaces and did some traditional African dancing. We have loved learning all about Africa!

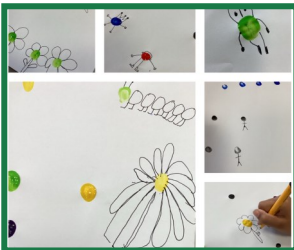

Learning in Reception

We have loved playing with the fort that the older children made and kindly gave to us. We are letting our imaginations run wild! Oh what fun we have had in Reception over the year.

Learning in Year 1

This week Year 1 went for their final trip to Memorial Park to look at the signs of summer.

Learning in Year 2

Year 2 just love getting creative! Inspired by the story 'The Dot' by Peter H Reynolds the children looked at art a little differently, turning their fingerprint paint dots into different drawings. They were so proud of their work they added their signatures. Well done Year 2; you are all artists!

Learning in Year 3

This week all the children in Year 3 have been recapping their knowledge of vowels and consonants.

Learning in Year 4

This week the children in Year 4 made Viking brooches. They used a variety of materials to create their pieces of art work as well as taking some time to look at other Viking jewellery and the history of jewellery through the ages.

Learning in Year 5

This week Year 5 have learnt about Latin American music. We have explored different instruments used to create Latin American music, along with the different genres and artists. We considered different ostinato patterns and used drums to perform our class composition. We thoroughly enjoyed it.

Learning in Year 6

This week Year 6 have come to the end of their primary school education and have had a week of fun. They have performed their show to parents, had a fabulous fun filled day of inflatables and many other treats along the way. They have had a great year and we wish them all the best as they move onto their secondary schools.
