

A message from our Headteacher: Becky Swindell

Dear Parents and Carers,

There has been some amazing work going on in school this week and it has been a pleasure to see the children thriving in their learning across all subjects. Well done to Class 3 and Class 16 who did a fantastic job with their class assemblies this week.

Next week we are looking forward to seeing Class 11's assembly. We hope to see lots of parents there! We also have Year 4's 'Come & Share' event. Another very busy week at Manor Park!

As we move into the summer can we remind parents to make sure their child has a water bottle in school. If we experience any particularly hot weather this year we will send out reminders about sunhats and sunscreen.

Have a wonderful weekend!

Mrs Swindell

Dates for your diary

Thursday 2nd May	Year 4 Come & Share Event 2.30pm-3.30pm
Friday 3rd May	Class 10 Assembly 9am-9.30am
Wednesday 8th May	RSE Parent Drop In Session Year 2, 4, 5, 6 3.45pm-5pm
Monday 13th May	Year 6 SATs Week

Tuesday 21st May	Year 2 Warwick Castle Trip
Wednesday 22nd May	Class Photographs
Thursday 23rd May	Year 5 Come & Share Event 2.30pm-3.30pm
Friday 24th May	Class 8 Assembly 9am-9.30am

Notices

- If any of you have any board games or activities (not electrical items) that you no longer use, we would be happy to take them off your hands and use them in school. Any donations can be given to class teachers or the main office.
- The school car park is for staff use only. Please do not use it when collecting or dropping off your child at school, CHAMPS provision and after school clubs.

Exciting learning from this week

Class 8 enjoyed a super walk to Memorial Park today! We looked out for different signs of spring such as blossom and different flowers. We also enjoyed exploring the sensory garden and looking in the aviary at all the different birds. Another huge thank you to our parent helpers.

This week in History Year 4 have been looking at how Viking houses were made. Interestingly, the Anglo-Saxons chose to use natural materials such as wood, mud and clay to create these structures. After researching and finding out about both the interior and exterior parts to a Viking house, we then used straw, clay, plasticine, lollipop sticks and pipe cleaners to make our own Wattle and Daub model. This was a very messy but fun afternoon!
