

A message from our Deputy Headteachers: Mrs Jacoby & Mrs Brown

This week, we have had the opportunity to see the wonderful learning taking place in Early Years and also in creative curriculum across the school. It was a pleasure to see the progress our youngest children are making, especially in their maths, reading and writing - Reception were especially eager to share their imaginative stories about the seaside with us! Topics across the school are certainly being enjoyed in every year group and this is reflected in the super learning showcased in their creative curriculum books.

Year 1 have been immersing themselves in their topic, 'Flashback', by visiting St John's House Museum, which allowed them to learn about toys of the past and what it was like to live in the Victorian era, with both children and staff having the opportunity to dress up as Victorians - they all had an amazing day!

Thank you to Class 15 for a fantastic assembly this morning, which we really enjoyed - our last class assembly of the academic year!

Our Year 6 children arrived in Dol-Y-Moch on Wednesday evening and are having a wonderful time; we look forward to hearing all about their adventures, when they come back to school on Monday and hope the sun keeps shining for them.

It looks like the weather could be getting warmer next week, so please ensure your child has a sunhat and water bottle in school.

Mrs Jacoby and Mrs Brown

Dates for your diary

Exciting learning from this week

This week, Year 1 visited St John's House in Warwick to learn about life and schooling in Victorian times. The children got to dress up and experience a Victorian classroom and teacher.

Year 6 having fun at Dol-Y-Moch!
