MANOR PARK PRIMARY SCHOOL

EAL POLICY

1. INTRODUCTION

In our school, the teaching and learning, achievements, attitudes and well-being of all our children are important. We encourage all our children to achieve the highest possible standards. We do this through taking account of each child's life experiences and needs.

A number of our children have particular learning and assessment requirements, which are linked to their progress in learning English as an additional language.

The aim of this policy is to help ensure that we meet the full range of needs of those children who are learning English as an additional language.

2. PRINCIPLES

- To improve the speaking and listening, reading and writing of English of children who are learning English as an additional language.
- To support access to a broad early years curriculum and to the National Curriculum, by improving children's fluency and providing bilingual support as appropriate.
- To integrate new children into the school in order to ensure that they gain access to the curriculum and academic achievement.
- To identify and make maximum use of opportunities for modelling fluent use of English and to provide opportunities for children to practise and extend their use of English.
- To encourage and enable parental support in improving children's attainment. The aim of this policy is to help ensure that we meet the full range of needs of those children who are learning English as an additional language

3. ROLES AND RESPONSIBILITIES
