

Manor Park Primary School

Dear parents/carers,

We have now planned the after-school clubs for the Spring term. We have managed to secure many of our most popular activities as well as some brand new clubs. The clubs will run during the Spring term and the costs shown are for the full course. **Please check the dates of the clubs you would like to book as not all clubs will run for the entire term.** Due to the after-school clubs being ran by external providers we can no longer offer the 50% off for CHAMPS therefore CHAMPS fees will need to be paid in full.

Please see below the full timetable of activities.

If you wish for your child to attend these activities, payments can be made online via the My Child at School app (excluding STEM goes Wild, the link is included in the timetable). Payments must be made for the full course and in advance of attendance. Payments are non- refundable. If you have not activated your My Child at School account, please contact the main school office. All bookings will be available to book from Tuesday 10th December at 6.00pm and close on Monday 6th January at 10.00am.

All clubs will run from 3:30pm till 4:30pm. Children will be dismissed from the Lower School Hall after their club has finished at 4.30pm. Please ensure that you are prompt when collecting your child after their club has finished and please do not use the staff car park.

Children partaking in physical activities will be required to wear the appropriate kit for the after-school clubs. They will change into their kits before the clubs start at 3.30pm.

Please note that numbers for all activities are limited and the booking systems will automatically stop taking bookings when the places are full on the course.

If you have any questions relating to the above, please contact Miss Harkness (r_harkness@manorpark.coventry.sch.uk) or our main office for further information.

Kind Regards
Manor Park Primary School

After School Clubs Spring Term 2025
