

17 September 2021

Dear Parent,

**Manor Park Primary ‘Tech Club’ – Autumn Term 2021 – Years 4, 5 & 6**  
**(11 weeks) – Monday**

We are introducing a new ‘**Tech Club**’ this term for pupils in **Years 4, 5 & 6** where they get an opportunity to explore technology to aid their learning at school & at home and to experiment with more Apps. You will be aware that there is an ever-growing list of Apps available to us all, and with remote learning becoming increasingly prevalent, it is a perfect time for kids to leverage this independently; by working with existing school apps & the learning platform we will be encouraging techniques to develop their learning whilst creating positive online habits.

The sessions will commence at 3.30pm and finish at 4.25pm. Pupils will have the opportunity to learn about Apps/learning platform through set tasks and group work. **Online Safety** is paramount and integrated into the Tech Club to ensure children keep themselves safe online. Please contact me on 07503 977497 if you have any queries or require further details regarding the programme.

Sessions will start Monday 27 September and will run for 11 weeks, finishing on *13 December 2021*. The cost is **£44.00 for 11 weeks**.

If you would like your child to take part, **please follow the instructions in the box below by the morning of Thurs 23 Sep**, Spaces are limited, so will be allocated on a first-come, first-served basis.

Thank you.
