Date: 14.02.20

## Next Week:

Next week, we the story of Elmer in the Snow. The children will be exploring the different colours and patterns on Elmer in our creative work. We will also be talking to the children about how Elmer camouflages himself in the snow so that he can play a trick on his friends.

We are going to encourage the children to talk about the sequence of events in the story and they will draw pictures and use their mark making and early phonics skills to write and talk about their work.

In maths we have been focussing on become confident with recognising numerals, counting and matching numbers to quantities. We will be supporting the children to use everyday objects of interest such as cars, dinosaurs and numicon to explore their early number skills.

## Useful Resources

### Spare Clothes

Thank you if you have already sent in spare clothes for your child. Please make sure that your child has some spare clothes in school if you have not already sent some.

We are going to be making Elmer pictures next week using collage materials and printing with paint. Please send in any colourful materials such as ribbon and sweet wrappers etc with your child for this activity.

The children will also need an empty plastic milk container to create a model of Elmer.

Thank you

Milk Bottle Elmer Elephant

### Robins, Caterpillars and Butterflies

In EYEP, we are continuing to investigate winter and how the changing seasons affect animals, people and the environment. The children will be creating their own snowflakes using creative materials and loose parts construction. We are also going to be playing a physical game that explores counting, number recognition, aiming and throwing.

It's Pancake Day on Tuesday February the 25th which falls in our half term holiday this year. We are going to have a go at using outdoor play equipment to pretend we are flipping our own pancakes.
