

A Splash of Colour!

Wow Event!

I will 'Taste the Rainbow' and use my senses to explore colour including tasting food with a range of colours and tastes.

In Communication, Language and Literacy I will be learning to:

Take part in singing and rhyming activities with enjoyment and confidence
Share stories and poems with a colour and pattern theme in them
Take part in games to help me learn new phonics and reading skills
Play 'I Spy', sound and letter and matching and memory games
Talk about special times in my life
To learn lots of new words

In Personal, Social and Emotional Development, I will be learning to:

Work and play with my friends, share my ideas, resources and experiences
Have fun exploring my own interests and games
Choose the games and toys that I want to use inside my classroom and in the outdoor area
Enjoy using my imagination to explore role play activities and creative work

In Physical Development I will be learning to:

Describe how it feels in different kinds of weather and how we dress to feel comfortable
Talk about things that help me to feel fit and healthy including food, exercise and rest
Be safe when I am playing with large play equipment in the nursery and in the other places around my school

In Literacy I will be learning to:

Be confident to experiment with mark making activities inside and in the outdoor area
Talk about my work and interests
Take part in fun phonics activities
Play rhyming games and listen to sounds all around me
Begin to match letters and sounds
Read and write some simple words including my name

In Understanding the World, I will enjoy:

Looking closely at colours and name and match them to everyday objects
Explore what happens when light reflects on coloured glass and describe what I can see
Finding out what happens when there is no colour
Identifying and exploring colours in the natural world

In Expressive Arts and Design, I will be learning to:

Use lots of coloured paints, pens, pencils and collage materials to create pictures and patterns
Explore what changes I can see when colours are mixed together
Talk about what I am making and doing and why I like what I can see
Talk about my friends' work and why I think it is good

In Maths I will be learning to:

Sing number rhymes and songs with my friends and teachers using actions, objects and pictures
Explore maths in the outdoor area
Be really good at careful counting, recognising numbers and matching
Add and take away using toys and everyday objects
Explore size, shape and space when I am playing and creating pictures and models
Enjoy talking about my maths work
