

# PLANES, TRAINS AND AUTOMOBILES!

## My Wow Event in Reception

We will be visiting The Coventry Transport Museum to explore all of the wonderful types of transport - Arrangements including dates to be confirmed.

In Communication, Language and Literacy I will be learning to:

Use the language of stories, join in with repeated refrains and anticipate key events and phrases in stories and rhymes

Extend vocabulary, especially by grouping and naming, exploring the meaning and sounds of new words  
Understand how non-fiction texts can be used to find out about topics of interest

In Physical Development I will be Learning to:

Handle tools, objects, construction and malleable materials safely and with growing control

Experiment with different ways of moving safely during P.E lessons and in the wider school environment

Use pencils with growing control to form recognisable letters

In Personal, Social and Emotional Development, I will be learning to:

Be confident to talk about my own ideas and listen to others when taking part in a range of supported and independent activities

Be able to understand and solve problems in social situations  
Change my behaviour to different events and routines

Develop independent learning during my self-chosen activities and challenges

In Literacy I will be learning to:

Develop my phonics skills to read and write simple words and sentences

Write about stories using imagination and simple story language

Continue rhyming strings  
Read my own writing which has been written during my independent work and guided group activities  
Recognise and understand print in the environment

In Expressive Arts and Design, I will learn to:

Create simple representations of events, people and objects

Build using various construction materials

Use percussion instruments to experiment with how sounds can be made and altered

Listen to music from different cultures and experiment with dance and movement

In Understanding the World, I will be learning to:

Show an interest in the wider world and in the lives of people who are familiar to me

Talk about why things happen and how things work

Experience a range of cultures through stories, celebrations and traditions

In Maths I will be learning to:

Use numbers to 10 and beyond in a range of maths activities including counting, matching,

ordering, addition and subtraction and when writing simple number sentences

Know one more and one less than a given number to 5, 10 and 20

Order everyday items by length or height

Use familiar objects and common shapes to create patterns and build models

# ONCE UPON A TIME

## My Wow Event in Reception

Let's Imagine Reception Book Day Wow Event Thursday 4th March

### *In Communication, Language and Literacy I will be learning to:*

Develop listening skills for a wide range of activities including large and small group activities

Listen and respond to ideas expressed by others in conversations

Continue to develop an understanding of vocabulary focussing on personal experiences, interests, stories and topics covered in school

### *In Physical Development I will be learning to:*

Learn about ways that we can stay safe and be healthy

Experiment with different ways of moving safely during P.E lessons and in the wider school environment

Use pencils with growing control to complete written and creative work

### *In Personal, Social and Emotional Development, I will be learning to:*

Work together with my friends during a range of activities where we share ideas and resources

Be independent when choosing resources to explore my learning and play

Organise my work that I do during independent, self-initiated learning

Talk about my achievements and celebrate the work of my friends

### *In Literacy I will be learning to:*

Develop my phonics skills to read and write simple words and sentences

Read my own writing which has been written during my independent work and guided group activities

Be able to read and write some irregular or 'tricky' words that are in my word purse and reading books

To be able to understand what I am reading

Write about stories using my imagination and simple story language

Make rhyming strings

### *In Expressive Arts and Design, I will learn to:*

Be creative through role play, music, dance and art activities

Use malleable materials to create muddy mixtures, pies and cakes following simple recipes in the mud kitchen

Explore fine motor and creative skills using a range of wool, ribbons and paper for simple weaving

Share a range of festivals and traditions including Easter

### *In Understanding the World, I will be learning to:*

Consider where some food comes from including farms, orchards and oceans

Explore what happens to food over time and when placed in different conditions

Plant and grow seeds

Make grid mazes to follow instructions and plot simple codes using toy vehicles, large grids and whiteboards

### *In Maths I will be learning to:*

Explore a range of maths skills through stories including Mr Wolf's Pancakes, The Gingerbread Man, The Three Little Pigs, The Princess and the Frog and The Smartest Giant in Town

Explore measuring using non-standard measures and ordering objects by length, height, weight and capacity

Explore money through role play activities

Continue to develop my counting and number recognition

Understand how to order numbers
