

Discoverers, Explorers and Inventors

My Wow Event in Reception

We will be taking part in an exciting design and making day where we will be creating our own amazing inventions using a range of tools and resources.

In Literacy I will be learning to:

Write for lots of exciting reasons including lists, messages, letters, recounts and stories with growing independence

To choose my own subjects and topics to write about and to share my achievements confidently

To use my developing phonic knowledge and high frequency 'tricky' words more accurately when I am writing for a range of purposes

In Physical Development I will be learning to:

Use tools, objects, construction and malleable materials with growing control and purpose
Develop my skills of writing on lines with accuracy
Be confident to move freely and safely
Explore things that help us all to be safe, healthy and happy

In Expressive Arts and Design, I will learn to:

Design and build amazing machines using a range of creative tools and resources
Describe and re-create using colours and resources that I have carefully chosen
Use my imagination to role-play, sing and dance with my friends
Explore percussion instruments in musical activities

In Maths I will be learning to:

Understand how to solve simple problems involving addition, subtraction and sharing into equal groups
Use everyday objects, pictures and numbers to record

Estimate and make a sensible guess about how many objects are in a group and check by counting 'how many'

Estimate, measure, weigh and compare objects and toys

Order objects using size, weight and measures

In Communication, Language and Literacy I will be learning to:

Share an increasing range of books and texts

Enjoy reading accurately and fluently

Talk about what I have been reading

To learn lots of new words

To concentrate on my activities, to persevere and never give up

To confidently talk to my friends and teachers about my interests

To listen to others when they are speaking

In Understanding the World, I will be learning to:

Use maps to locate places in my local area and to follow simple routes

Use simple technology to read clues for a treasure hunt

Talk about some of the things they I have observed including plants, animals, natural and found objects

In Personal, Social and Emotional Development, I will be learning to:

Explore activities and the classrooms with interest and curiosity

Engage in challenges around the classroom and outdoor area

Understand how to improve my work through perseverance and having a go

Talk about what I am good at and to know my own next steps in learning
