

Year 1 Spring Term

Please select at least 3 homework tasks to complete over the term (alongside your phonics and reading). Your work will be presented in your creative curriculum books - prizes and house points will be given for effort and originality.

History

- Visit Market Hall Museum in Warwick (it's free to get in) where you will find dinosaur fossils! Take photos and record a video/write about what you learnt.
- Watch the video 'The History of Dinosaurs' - what did you learn?
https://www.youtube.com/watch?v=dQhOa_33Xjg

Geography

- Use google Earth to find Manor Park Primary School and where you live. Have a look at England and nearby countries. Which countries do you know? Can you find them?
- Choose a continent and find out 3 animals that live there. Can you write two facts about each animal?

D&T

- Design a menu for a particular dinosaur thinking carefully about whether they are herbivore, carnivore or omnivore
- Design and make a dinosaur mask
- Build an animal or dinosaur out of lego or junk modelling
- Create a habitat in a shoebox

Art

- Use paper straws to create the skeleton of a dinosaur.
- Use any materials that you like to draw/paint/collage your favourite animal.

- Use a toilet roll tube to create an animal of your choice.

Music

Learn and perform the song 'Dinosaurs'. Can you make up some actions too?
<https://www.bbc.co.uk/teach/school-radio/songs-dinosaurs/zbykqct> (click on video transcript for the words)

Science

- Research a dinosaur or animal of your choice and create a fact file/poster about them. What do/did they eat? Where do/did they live?
- Visit a farm/zoo and look at different animals (mammals, amphibians, reptiles, birds and fish) - can you sort the animals you see into the five groups?
- Create a fact file/poster/video about your pet (or a friend's) - think about their key features and what they need to live

PSHE

Choose a physical activity to complete - move like a dinosaur or do some dinosaur yoga!

<https://www.youtube.com/watch?v=RIpvj9gSgdw>
<https://www.youtube.com/watch?v=ISX9DSK4uEk>

Why is it important to do exercise?

What else can we do to keep ourselves healthy? (mentally and physically) - create a poster

Links of interest to support your learning:

How to make a dinosaur mask: <https://www.dinopit.com/how-to-make-a-dinosaur-mask/>

Google Earth: <https://earth.google.com/web/>

Art ideas: <https://playtivities.com/craft-ideas-with-toilet-paper-rolls/>

If you have other ideas of projects you would like to complete at home (which are linked to the topic), you can do these too. Remember, this work will be stuck into your creative curriculum book so make it as creative and engaging as you can!
