

## Year 4 Summer Term

Please select at least 4 homework tasks to complete over the summer term. Your work will be presented in your creative curriculum books - prizes and house points will be given for effort and originality.

If you would like to complete a different project linked to your topic, you can do this too!

This homework is in addition to regular reading at home and times table practice.

### Art

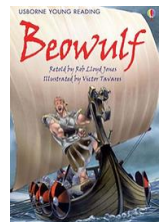

Research the meaning of the symbols and colours used on Viking shields. Design your own Viking shield and give reasons for your choices. If you have cardboard and paint at home, you could even make your shield!

### Geography

Research a Scandinavian country (where the Vikings originated) and present your findings creatively. What interesting facts can you find out about that country? Upload your work to Seesaw or bring it in to school for your CC book.

Recommended reads for this topic:

### DT

Create a model of a Viking long ship using any resources you have at home (cardboard, plastic, lego...etc). You could even design and sew your own Viking flag!

### Science

Your topic in science this term is all about 'Teeth'. Create a poster explaining how sugary foods can lead to tooth decay and what you can do to keep your teeth healthy. Make your poster as eye-catching as possible. You could even include some food packaging as examples.

can do to keep your teeth healthy. Make your poster as eye-catching as possible. You could even include some food packaging as examples.

### History

During your visit to Whitby, you will visit Captain Cook's museum. Find out all about his life and present your findings as a biography. This could be as a powerpoint, a factfile, a booklet etc. Use the websites/videos on this page

to help with your research.

### Computing

Create an animation or video explaining why the Battle of Hastings happened and how and why the Norman army ended up winning. Make sure you

include information about any significant individuals. You may want to include information about the Battle of Stamford which happened just before the Battle of Hastings!
