

## Year 5 Summer Term Homework Grid

Please select at least 4 homework tasks to complete over the summer term. Your work will be presented in your creative curriculum books - prizes and house points will be given for effort and originality.

### History

Show off your amazing creativity skills by creating a timeline on the history of

space travel. Include dates, key facts and some pictures.

### DT - Space themed bake-off

Bake your own space themed biscuits/cookies. They could be in the shape of a rocket or planet - be creative. Write

down the recipe and bring some pictures in (or upload to Seesaw)

Recommended reads for this topic:

### WOW EVENT

In July, we will be camping overnight at the National Space Centre. Visit their website

<https://spacecentre.co.uk/>

and design a poster to advertise the different things you can do and see at the centre.

### History

Complete a character study of Neil Armstrong/Sally Ride/Tim Peake or any other famous astronaut/cosmonaut.

Create a fact file/poster about their space story.

### Science

Keep a sky at night journal by observing what you see. Draw the shape of the moon - does it change over the course of a week?

Try to find out the names of any stars or constellations you might see. Bring in your findings to stick in your CC book.
