

Manor Park Primary School

Year 6 Residential Visit 2022

Dear Parents/Carers.

We are very excited to be able to offer our Year 6 children the opportunity to go on a residential trip to DolyMoch next year. We have been offering this residential visit to our Year 6 children for a number of years and it is always a very popular trip. The children take part in a number of activities including gorge walking, mine exploration, orienteering and kayaking. It is a fantastic opportunity to develop some independence whilst exploring the beautiful surrounding of Wales.

There will be a virtual parent meeting on **Thursday 23rd September at 6pm** to discuss the activities further and answer any questions you may have before deciding whether you would like your child to go on this residential.

Please find below some further information regarding dates and pricing of the visit.

The visit will take place from **(Tuesday 14th June - Saturday 18th June 2022)**

The programme that we will be taking part in has been developed specifically for primary aged pupils, has been fully risk assessed and is led by fully qualified and experienced staff.

The total cost of the trip is heavily subsidised by the school. This year the cost of the visit for parents is **£165.00**. This covers transport, accommodation and all meals. The centre provides any specialist equipment that is required such as waterproofs and walking boots. Children who are in receipt of Pupil Premium funding will be entitled to reduced charges of £82.50 Payment can be made in instalments via sims pay. If you would like your child to take part in this residential trip, please register your interest on sims by paying a **non-refundable** deposit of £50.00 (£25 for pupil premium) by **Friday 29th October**.

Kind regards

Mrs Brown (Upper Phase Leader)
